

Premium Chauffeur Service

It is our pleasure to introduce you to Corporate Car Worldwide, Inc., the premier executive limousine service in the greater Washington, DC metro area. Founded by the Ismail family, Corporate Car takes premium ground transportation services to the next level.

Our chauffeur drivers are true professionals: they arrive on time, ready to provide assistance and a safe, comfortable ride, always respecting your time and privacy.

Stepping into one of our spotlessly clean vehicles, you will find spacious interiors equipped with amenities, including complimentary bottled spring water, *The New York Times*, the *Financial Times*[™] or *The Wall Street Journal*, and current magazines.

We believe you will find the right mix of professionalism and warmth as Corporate Car provides you with dependable, 24-hour service, seven days a week. All of our employees are dedicated to fulfilling your exacting requirements.

Our management team has the knowledge, expertise, and long-standing history of working with a personal, corporate, and executive clientele. We continue to incorporate innovative ideas, trends, and specialized personal requests to meet and, hopefully, exceed your expectations, making every ride a pleasurable experience.

We hope you will consider Corporate Car when reviewing your personal or corporate travel needs such as airport transfer, specialty shopping, city excursions, business meetings, and corporate road shows. You can be sure that you and/or your associates will be delivered in style and comfort every time. Please contact us so we can discuss your transportation needs. We look forward to hearing from you.

With warm regards and thanks,

Stan Ismail
CEO & Founder
